The Premises:

Nice apartment in a trendy part of town. Parking nearby but easy to get to and from. Easy access and very discrete. felt very safe and relaxed

The Lady:

Tall, slim lady with light brown hair, early/mid thirties - well toned (think she may have lost some weight since my last visit) and full of energy. Small but delightful breasts and clean shaven.

The Story:

It's been several months since I last visited Harriet and I was itching to get my hands on her gorgeous arse. She obviously remembered a previous conversation as I was greeted by the sight of said arse in a snug pair of jodphurs - needless to say I was in for one hell of a ride! Off they came to reveal a tiny thong which my tongue soon shifted aside. Various positions later I shot my load into Harriets willing mouth as she brought herself off with the aid of my fingers and one of her selection of toys.

Always a pleasure to see her and just wish i could have stayed much much longer,
