The Premises:

Clean location on the Newcastle Quayside. Lorel lived there and shares with another escort. Easy to find, and felt safe and discrete

The Lady:

Lorel's an attractive girl with light coloured hair. She's a bit short and has huge boobs which she said were 32E. Website says size 12 which sounds about right

The Story:

Lorel is a very friendly lady. At the start she said she didn't do Anal and CIM, and she doesn't go on top as she finds it uncomfortable - but almost anything else goes. We started with enthusiastic kissing, and then on to an uncovered BJ. She couldn't take the full length, but got well past the helmet. She let me finger her while this was going on, and happily tasted her juices, which I found very exciting. I could feel her getting wetter during this time. Then on with the mac, and missionary, which is my favorite. I asked what she liked best - and said I was the first punter to ask! which surprised me as the more the lady enjoys it the better for me as well. More kissing while in position, both hard and soft thrusts, nice and deep, the time had come. I asked if I could shoot on her face. She prefers it on her boobs, and we agreed I could shoot all over her chin. A great end to an excellent session. Definitely one to go to again.
