The Story:

Quite often these websites lead you up a garden path to disappointment. Elle's does not. She is just as described and a very friendly girl, also very bright. She greeted me in a lovely little dress and we kissed for a while before I went for a shower. On my return she was waiting for me stripped down to black undies. We kissed and kissed and kissed until she performed lovely owo and I went down on her. We kissed more and then she finished me off my hand. I had asked for long and slow and that was what I got. A real dream of a girl. Have booked again for two hours. Please be really nice to her gents, she's a real find.
