The Premises:

New block of flats. Quite a trek from station but got there with minutes to spare. Very clean but very warm. Felt safe

The Lady:

Beautiful Amazonian German with a halterneck dress covering humungous breasts. 5ft 8 in heels. BBW with a bum you want to smack

The Story:

Started off well with hugging and touchy feely. Went to kiss her and it was no you got to pay ?20 so thought ok lets see how this progresses as i want lots of FK during a punt. Then off with the cothes and onto the bed and oral was COVERED didnt ask but it was going to be ?20 for Owo. No fingers in pussy. Got me semi hard and then put me in pussy while in cowgirl. She has such a lovely body i was hard and at it. Then onto mish and doggy was best smacking into that delicious bum. Had a HJ but could not get there as the room was so warm. My excuse nothing to do with her. Loved sucking her toes. Wanted to know if i wanted to extend my time but i declined.
