The Story:

Chose Lara who apologised for not being ready as they has just opened. To be honest her turning up in her jeans and jumper made or more "real" for me.

Shower before and Lara joined me straight after very nice massage and felt relaxed with her friendly personality, she was chatting away and was more than happy for this.

Lara began kissing me and began oral (with condom) she turned this round into a 69.

Sex was amazing. She got so close rubbing her body on me and kissing me all over.

Once complete another shower where Lara joined me.

Very nice experience.
