The Premises:

Private flat in the City with discreet entrance. Easy to find. Bedroom is spacious and the bathroom is very nice.

The Lady:

I would say mid to late twenties, about five foot two, past shoulder length blond curly hair, tiny slim size 6-8 figure and beautiful sweet face.

The Story:

Had a fantastic time with Jessica from minute one to the moment I left her place. Started with a chat (appx 5 min), then I took a quick shower.

She asked me to get onto my front and she delivered a great massage, soothing and relaxing. It was indeed a body to body massage as I could feel her body over mine most of the time. Over onto my back the body to body continued and she ended up sucking my already very hard cock. A great punt, not rushed, very accommodating. Well worth a visit.
