The Premises:

The incall location was discrete and in a very safe area. The apartment was very clean and must say felt very inviting

The Lady:

On entering Crystal looked absolutely stunning. She asked me if I liked what I saw ,oh boy did I like what I saw. Crystal has a stunning figure, with perfect breasts and a fantastic demeanour

The Story:

Started with a very inviting kiss and Crystal knelt onto the floor in front of me and began to stroke me into an erection. Soon she was sucking me until I felt like it was going to be all over there and then. Took her dress off to reveal the best pair of breasts I had seen/felt in a long time, big and firm. Asked politely to go down on her and she tasted a beautiful. On with the mack and a very slow missionary fuck all the time Crystal was kissing and I was caressing those great breasts. Finished the session and Crystal was happy to chat until it was time to go, none of that getting you out of the door crap here. Absolutely fantastic experience, 1st class lady
