The Story:

Forget the GFE (Girl Friend Experience). This was a WE (Wife Experience). Sour tempered and uninterested in sex. I'll be charitable and put it down to Time Of The Month. On the other hand, unlike your average wife, this girl is extremely hot looking and tight as f*ck. If you want love and affection, look elsewhere. But on the other hand, if you want to test your staying power in the most demanding of circumstances, this girl is the one for you. I managed 35 seconds. If you can last 5 minutes inside this little hottie, you have my respect
