The Premises:

A 2 bedroom apartment in a modern development near the centre of Guildford a few minutes walk from a multistorey car park, but some on-street parking nearby as well. The bedroom and bathroom were very clean. The are felt perfectly safe.

The Lady:

Jessica is a as described in the web site:-

twenties, 5 foot 3, size 6, 32b with black hair as in her current photos. She has an excellent body with small firm natural breasts and lovely firm stomach.

She is just as in the photos, but with a few very small body piercing. and three small tattoos. You will have to find where these are yourself.

The Story:

Jessica was very friendly, and a pleasure to sepn time with. One of hetrbest qualities for me is that she not to make any fake encouraging comments or moans, which many other escorts do, and which I find offputting rather than encouraging. When she reaches a climax you really feel it is genuine. I had great time and will visit again when our schedules allow.

Thanks Jessica.
