### The Story:

Pixie entered the room with a great smile and glint of sexiness in her eyes. Some FK and then I went for a shower. Returned to be met with DFK and groping. Pixie gradually worked her way down my body with her tongue until she took my rigid cock in her mouth and gave me some great hands free OWO. I fondled her natural breasts and sucked on both nipples together as Pixie moaned with pleasure. On to the bed for some more mutual groping and OWO. Then worked my way down to Pixie's sweet pussy and licked and flicked until Pixie came in my mouth. Superb. Rested for a short while and then doule teamed her piussy with tongue and fingers until Pixie orasmed again. Then much more OWO. Finally erupted in to Pixie's mouth, and then enjoyed a long snowball kiss, as she deposited my cum back in to my mouth.

Pixie was very tactile and chatty throughout, apart from when her mouth was pleasuring my cock. An awesome girl, who definitely deserves all the praise she gets. I will definitely revisit to take her up on her offer of some strap-on fun.
