The Story:

txt me to tell me she was on her way nice touch on arrival short chat then straight into dfk we both got undressed gr8 body nice underwear helen then gave me out of this world owo realy deep i then told her i had to taste her hot wet shaven pussy she tasted nice i told her i was about to cum and she took all i had not a drop spilt swallowing it all after a short break we did it all again but this time on went the cover and had full sex with me again cuming in her mouth after another break at my age i needed it we went at it again then it was time for her to leave walked her to her car kissed and said goodbye txted me later to thank me for a nice time guys treat her with the respect as she is a gem hope she liked the gifts
