### The Premises:

My hotel room. On the small side but ok for what we got up to.

### The Lady:

30 years old, a blue eyed brunette, 5' 5 and a tanned & toned, slim size 10 figure with delicious curves all in the right places.

### The Story:

Had a really great time. Started with some drinks in a local bar and a meal for two, back to room for some fun, got some drinks and more fun. Got to sleep for a few hours woke up to find a great lady by my side in the morning. All in all this was one of the best times of my life.
