### Details of Service Provider:

**Profile Name:** Invasian Asian Escorts London

**Website:** <https://invasianescorts.co.uk>

### The Premises:

Basement Flat near Paddington station. Usual sort of place for this type of encounter; not particularly glamorous but reasonable and warm.

### The Lady:

Slightly older than the website portrays but cute Thai lady with a nice body. Unusually for an asian escort, she does not have enhanced tits.

### The Story:

I went to see Whitney as I had seen on Aisha's twitter that there was an offer on for a reduced rate provided a review was submitted.

All in, it was not an exceptional punt, rather one that was good but not to be repeated. Whitney is obviously very experienced and provided all services listed well, including a great session of anal which she took like a trooper!

Would I return? No, there are far too many others to see. Would I recommend? Yes, she is good at what she does.
