The Premises:

A Clean, safe parlour. Opposite a busy main road but, is discreet enough. Furnished to a high standard inside.

The Lady:

A Half Arabic/British lady with a size 8 figure and small bone structure. Around mid 20s. Pretty brown eyes. Around 5'6". Longish, shiny black hair. Smallish but very soft natural breasts She also has a natural sexiness and provocativeness about her. In short, I would say she is gorgeous and exotic.

The Story:

Had a bit of a chat while I got undressed. Jasmine is friendly and easy to get along with and quite playful in what she says. Jasmine asked if I wanted a massage, I refused. Had her run her hands across me, she has a gentle touch. I got hard, Jasmine put a condom on and performed oral on me. She has a good technique, she is quite gentle with her mouth but knows when to go deeper. I had to stop because I didn't want to cum through oral. Jasmine laid on her back and asked me to lick her out, she said "be gentle", so I was. She seemed to enjoy it. She has a small, shaven pussy and I wanted to get her a bit wet before putting my cock in. She is very tight - I asked if I should use lube, she said it would be fine without, I wasn't convinced, but she was right - it wasn't needed. She put her legs up so I couldn't go really deep, maybe I was slightly too big for her. After she got a bit wetter it was easy to slip it in and out. Switched to doggy style, feeling the softness of her arse against me nearly made me cum. Switched to cowgirl to finish up, she leaned into me and I came heavily, feeling light headed and elated.

Jasmine is easy to get on with and was eager to please, she didn't refuse any of my suggestions of position change and was always friendly even after we had finished cleaning up and she didn't rush me. As a bonus she's also fucking gorgeous.
