### The Premises:

First time in Brooklyns. Lovely and clean, very welcoming, front and back entrance. Car park at the back. Felt comfortably and safe.

### The Lady:

Gorgeous and dressed to please showing off her curves and wonderful cleavage! She was wearing a tiny tight dress, stockings and sky high heels. Underneath the clothing is just as sexy... soft skin, curvy body, sexy nipples and delicious tight pussy. Super sexy dressed or naked!

### The Story:

Perfect - Friendly and professional, welcoming, sexy and very mischevious in the flesh. I was made very welcome and comfortable and couldn't help but smile. Had very relaxing time.

She is attentive like no-one else, a fantastic kisser, skilled, very naughty, knows exactly what buttons to push and when. Angelina seem to really enjoyed our time together and what she gave back is mind blowing.

I have no doubt that Angelina enjoyed the meeting ? that's not to say I am anything special, but she seemed to become immersed in the whole experience, very tender in every way, and offering herself like a loving partner. A lot of cuddling and kissing led to gradual removal of clothing, ultimately to reveal the 'surprise' waiting, invitingly, in her panties.

Mutual O gradually me moving on to rimming and exploration of each others bodies in every way. Angelina's breasts are a delight ? all natural and not pumped over-full of silicon (and most definitely not stuck on!) ? with responsive nipples and a great shape. What is there to fault? Nothing!

At no point did Angelina ever hint at clock-watching. In fact, it was me who had to keep one eye on the time as I had a way to go afterwards. I am sure that after we had both reached our climax, me inside her, her over me, we laid on the bed for ages, Angelina being so keen to make this a true GFE. What a lovely person, and I hope our paths cross again soon... xxx 12 out of 10!

Thank you Angelina you are Star. xx
