Basement flat. Very near tube station. Easy enough to find. Shower facilities with towels etc.

### The Lady:

As per picture. Hungarian beauty. Says 20, probably a bit older. She looks quite sexy. 5'6, probably 60kg. Not slim, but not fat either. Probably size 10/12. Small tits, but her technique more than compensate for whatever shortcomings there is.

### The Story:

Payment sorted first. She offers a real GFE. Very smily and appears to enjoy her work a lot! I have punted a few times this is the second time I really had an amazing time. Real DFK, lovely soft lips. Then on to a bit of reverse owo. She seemed to enjoyed it, smiling and making the right noises. Then it was owo and 69. Couldn't contain myself and ended up CIM. This girl didn't stop at CIM, she actually swallow, and continue to suck until I was completely dry. First time for me and it was amazing. Then a bit of cuddling while I recover. On goes the sheath and a bit of girl on top. This girl does try and ride me hard. Flip her over for me to do a bit of pumping, then doggy. Running out of time so it was handjob for a happy ending.

She is a real pro. I wish she works in Nottingham and not London!
