### The Premises:

As reported several times before.

### The Lady:

Tina is medium height, a mature (in 40's, but seems younger) blond, with a great smile and blue eyes, an hour glass figure (30H - yes! /22/32) and great legs. She has a lively personality and a very pleasurable sexy repertoire to offer her clients.

### The Story:

Greeted with DFK and friendly chat, we agreed on my usual House Special, before she offered both her tits for a quick suck and then moved on to OWO. The shower beckoned with its usual benefits of sexy slipping, sliding and mutual exploration plus more DFK. Tina has a very varied repertoire for which a shower is great preparation: Lots of DFK, body-to-body massage, more OWO, followed by a tit wank (which included her tongue and lips for each stroke), rimming (a first for me) and prostate massage, reverse cowgirl and the 'frog' (her own invention). In return, Tina loves to have her nipples gently licked and her pussy 'lapped' (like a cat) and, if you do it right, she comes like a steam train and noisy with it! We ended with a long tight doggy (facing the mirror, my favourite). Absolute bliss!
