The Lady:

Quite a bit older than the stated 21 but still sexy with a great body and fantastic natural breasts.

The Story:

After an assisted shower she dried me and offered me a massage. I asked to postpone that until after the first round, so she rubbed her lovely tits all over me then started sucking my cock. After a good session of cock sucking and ball licking she offered to rim me, and spent the next 20 minutes with her tongue up my arse or my cock in her mouth. Eventually I asked if I could fuck her arse. She lubed up and guided me into her bum doggy style and I watched in the mirror at the head of the bed as she gyrated on my cock like her life depended on it. She then lay down on the bed and I shot my load all over her face and let her suck my cock some more.

The massage followed, this was pretty good but it wasn't long before she was rimming me again then turned me over and took my cock all the way in her mouth. I asked for a condom and she rode me cowgirl for a while before I asked for another anal session. When I was exhausted from this I lay on my back and she gave me a combination of a hand job and tit wank until I came over her tits.

After another shower I left. Layla was friendly and always willing and I had a great time with her.
