### The Premises:

A private terraced house perfectly adequate for the purpose and you can see the Northampton Saints rugby ground. I've seen this lady before a couple of years ago and the service I received was every bit as good as before.

### The Lady:

Gia is early thirties 5'8" a sexy brunette with a full 42" bust. When the door opened I was delighted to see Gia was wearing the red lacy uniform on her web site, wow.

### The Story:

I was asked would I prefer to sit in the lounge or go straight upstairs to take a shower (there was a fruit machine in the lounge ) but I decided to go straight upstairs for a shower and a much better jackpot. Gia didn't need to ask my requirements as we had discussed them by phone. We went into a passionate snog as my hands reached for those magnificent breasts and responsive nipples. ( always flick the nipples with your tongue because it gets a better response). I then moved my hands to the more intimate parts as Gia's breathing changed and her body began to gyrate. I moved to the bed and let the fun begin. It was not long before we were in 69 and giving each other immense pleasure I managed to bring Gia to a shuddering orgasm (real). After a short break to recover I received the most gorgeous sloppy OWO and went back to her responsive pussy and you will know when you hit the spot as Gia has loud orgasms. GFE was enjoyed whenever our faces met. Time for the finale as the condom was applied by her mouth. How would you like me she asked, I replied every way. We started with doggy then changed to cowgirl where I could see Gia's gorgeous face and bouncing boobs. Finally to mish and we gave each other a good banging as Gia referred to it later. If every working girl was to give this no rush fully satisfying service the world would be a better place.

If I lived closer to this lady I would visit her more often, what a lovely thought. xxx
