The Premises:

Terrace house on main road - fine.

The Lady:

A striking lady whose photo had captured my attention. Straight brown hair but tied back unlike pics and overall less slinky than in pics.

The Story:

Rather quiet at first but straight into owo. Then when we started to kiss and cuddle she relaxed and in the end was good fun and very willingly active in everything.

That was therefore a rather satisfying progression.

Not sure if there was anything I couldn't have done as things all felt easy and welcomed and enjoyed the time a lot.
