The Lady:

Just like the pictures, short pretty girl with a nice body. Piercing just above upper lip and one down below.

The Story:

Nina greeted me at the door in normal clothes and big fluffy slippers, which was a bit weird.

I had a shower and upon entering the room again, she lay on the bed and beckoned me over, we chatted for a little bit until she started to sexily strip. I did the same and she was soon giving me some nice OWO, she does a thing where she dribbles on your cock and concentrates on the top third.

I then returned the favour with RO, and after a while we were in cowgirl position, she is quite tight and it felt good so i stayed in that position until I came.

Nina also kisses, but only with a little bit of tongue and not too much.

Spent rest of the time talking, she asked me twice if i wanted more sex, and if i wanted anything just ask. I usually prefer the girls I see to take the lead, but if i asked her to do anything she would have happily done it.
