The Lady:

Wow, beautiful blond Hungarian lady as sexy as her photos, 20's. Lovely natural 36C breasts with very pale nipples. freshly perfumed and perfectly presented. Wearing bra and g-string which revealed perfect bum.

The Story:

No sooner was the door closed and we were kissing like long lost lovers. I was undressed in no time and she was down there with plenty of OWO. Lots of RO, more kissing, stroking and cuddling. Before I knew it she was giving a HJ and OWO and I has cumming in her hand. Now, let me tell you, that is quite something for me as I have of late had to work really hard to cum and sometimes completely fail. This was exceptional. I thought the old chap was about to ignite. We spent the rest of the hour massaging (I think she used a whole bottle of lotion) and chatting. We never actually got round to sex. Absolutely no complaints about that - we can do that next time I visit this lovely lady. I felt very relaxed - a true GFE. Thank you, Elise.
