### The Premises:

Very near Camden Town tube. Looks slightly daunting from the street at the moment being between 2 shopfronts that are boarded up at present, once inside, though, the flat is absolutely fine. Small, but clean and fit for purpose.

### The Lady:

Vampy black bob and scarlet lips - pretty smile and eyes. The pictures on her website are definitely of her and taken recently. Average height, slim, not scrawny, with lovely pert breasts and bottom. Very glam lingerie.

### The Story:

Kitty is very open and friendly, easy to talk to and sexy. I had a lovely time with her, and I think that she genuinely enjoyed it too. She is responsive to RO, and her own oral skills are fantastic. Not a PSE or a rough sex session, and kinky/fetish stuff is probably not on offer, but a really good GFE from a very nice girl with great personality. I will definitely return.
