The Premises:

Very near Camden Town tube. Looks slightly daunting from the street at the moment being between 2 shopfronts that are boarded up at present, once inside, though, the flat is absolutely fine. Small, but clean and fit for purpose.

The Lady:

Vampy black bob and scarlet lips - pretty smile and eyes. The pictures on her website are definitely of her and taken recently. Average height, slim, not scrawny, with lovely pert breasts and bottom. Very glam lingerie.

The Story:

Kitty is very open and friendly, easy to talk to and sexy. I had a lovely time with her, and I think that she genuinely enjoyed it too. She is responsive to RO, and her own oral skills are fantastic. Not a PSE or a rough sex session, and kinky/fetish stuff is probably not on offer, but a really good GFE from a very nice girl with great personality. I will definitely return.
