The Premises:

Cats house was in a nice suburb of York, well decorated and very discreet, felt at home and relaxed.

The Lady:

Cat is a mature lady, a very nice looking lady with an amazing body and piercing eyes. Fantastic boobs, she has definately looked after herself. Nice blond hair.

The Story:

I was in the York area on business and had to make Cat one of my "business" visits...I have seen Cat before in Heathrow and couldnt turn down a return visit. Cat is an amazing experience and the hour just flew past, she is one sexy lady, used her mouth and tongue with expertise whilst looking at me with those piercing eyes, the sight of my cum dripping into her mouth and back out over my cock is an experience that you only get in porn films...amazing..

Cat told me that she will be in Heathrow for one week from the 21st November, have already planned a visit or two....cant wait...getting hard already....this lady is a must....

Treat Cat with respect and she will definately return the favours...

Thanks Cat...xxx
