Nice flat in a portered building in which I have seen other girls working from.

The Lady:

Yaya is the most attractive Asian girl I have been with yet. She is short and petite with a really sexy smile.

The Story:

Yaya hasn't had the best field reports on here but I found her so attractive I still wanted to see her. She was friendly and welcoming on my arrival so that was a good sign! She doesn't really have a routine and seems to be a novice as far as being a working girl is concerned but in a weird way this added an extra appeal to her. Her OWO was good and watching her head go up and down on my cock was fantastic, and her pussy was nice and tight. She definitely needed me to take charge of the session but it ended up being very enjoyable. She is also good to talk to and if you make her feel relaxed you will have a very good time!
