The Premises:

A top floor maisonette. Ok area. Steep stairs up. Clean & Safe enough. Double bed. Warm. Music in room.

The Lady:

A young slim Polish lady with shoulder length blonde hair with red tints. Some may describe her as plain. I thought she was stunning. Pale, tattoo free flawless skin. Dressed in jeans, T-shirt, socks. Unglamorous, but a real young woman with a stunning body.

The Story:

Some would hate the experience with Vicky. I loved it. I have struggled to get excited and cum recently. Vicky ticked all my boxes. She just seemed so un-wg that it was a great buzz for me. A reasonable oily back massage. Then Vicky ran her fingers up and down my legs before I turned over and she did the same, also circling my genitals and giving a delighted giggle as she got me erect without touching my cock. The rest was done with her back turned to me, which added to my turn-on. She gave me owo and a bit of a rub, asked "condom?" & mounted me in reverse cowgirl where the view of my cock going inside her perfect tight pussy was a huge turn-on, then doggy and a quick and powerful orgasm. A peck on the cheek and I was gone. For punters who want conversation and to make a contact with their wg, Vicky will not be their thing. For me, at the moment, this was a perfect punt.
