The Premises:

Safe and comfortable venue, about 10 mins from the nearest tube. I chose to visit on a Thursday and had read that it can get very busy. This proved to be the case and I was asked (very politely) to wait in the bathroom to avoid any difficulties. Did feel a bit odd but was not a big deal.

The Lady:

Sally is a lovely girl, great fun and beautiful too. Her style was instantly warm and intimate.

The Story:

I really enjoyed talking to Sally - she is very intelligent and a good listener.

I got so distracted that it took Sally to remind me why I was there!

She had me naked on the bed and gave me a lovely relaxing massage, gently working down to my bum crack and ball sack. Then I was on my front and receiving a hugely erotic owo.

I asked Sally to talk dirty (never asked for that before as have been too embarrassed - shows how relaxed Sally had me) and was soon in doggy followed by mish. Sally turned up the bad language which I found incredibly erotic and could contain myself no longer. First time I have managed to cum inside a wg for ages - again purely down to Sally.

She gently looked after me, cleaning me up and it was all over and done with far too soon.

I must see her again soon - can't stop thinking about her.
