The Premises:

About 5 minutes from J4 of M40. Older house with secluded parking at front. Bedroom functional without being luxurious. Street parking available round the corner if you prefer.

The Lady:

Katie is about 5'8" tall in her bare feet, short blonde (dyed) hair, with a gorgeous face, eyes and mouth, boobs and bum to die for. She also has lovely long legs.

The Story:

Katie is simply gorgeous. Slight Meg Ryan lookalike. Aged 29 from Poland. I was attracted by a couple of recent Punternet reports and boy was I glad I came (no pun intended). Apart from her stunning looks and figure she is very gentle and sensitive (and appreciates the same respect for herself), and has a great sense of humour. We spent a lot of time laughing and smiling at each other.

We started with fabulous DFK, caressing and nibbling, and she enjoyed her boobs being licked and gently sucked. She then obliged me with some superb OWO before I returned the compliment with some truly delicious RO which I am sure she really enjoyed.

Then into missionary position for an extended session which culminated in a massive conclusion (from my point of view anyway).

We then relaxed and chatted about "this and that" before round 2 which started with more DFK before she treated me to an extended session of OWO culminating in an absolutely fabulous CIM.

I'm no novice at this game and I can say without hesitation that Katie is right up there in my top two or three. She is seriously infectious and I am sure I will be back.
