The Premises:

A flat in a large block.Clean and fit for purpose.It was about 10-15 mins.walk from Chalk Farm tube station but she did tell me it is quicker to walk from Belsize Park tube station.I felt fairly safe.

The Lady:

About 5'6 Polish girl with slim figure and dark hair.Possibly in her early twenties.Had rather a lot of spots on her upper back.

The Story:

She was friendly and ok with me changing the booking to a later time because I was running a bit late.

From comments and pictures on another site I was expecting a gorgeous girl but was a bit disappointed.She is by no means ugly but I would not describe her as gorgeous.Others might disagree and of course beauty is in the eye of the beholder.

We started with a very nice massage,light and sexy as requested.Things then went a bit downhill.I kissed her but she was rather unresponsive and I kissed her breasts and then went down on her but she was very unresponsive and I got the feeling she was just going through the motions.This was definitely not a GFE and she does say that this will be provided.

I gave up on trying to arouse her and got her to give me a blowjob.Once again I got the feeling she was just going through the motions and wanted to get it over with but she did let me finish in her mouth as agreed and then went to bathroom,presumably to spit out and I believe a swallow service is on offer but to be fair we did not discuss this before hand.

A very average punt,I was going to NOT recommend but decided this would be a little unfair.Other punters may have better luck than me but based on my experience don't expect a GFE or any passion but you will get a friendly,polite girl.

I will not be returning for the simple reason I can get a far better service in this price range from other girls and closer to home.
