### The Premises:

Terraced flat conversion on a reasonably busy residential street. The area is perfectly safe but possibly a little lacking in anonymity. The flat is a couple of minutes' walk from North Wembley tube and there is plenty of free on-street parking nearby. Inside, the flat is basically furnished but it is large, clean, bright and pleasant.

### The Lady:

Cindy is a young Czech lady in her early twenties. She has dyed blonde hair, attractive middle European features, tanned skin, a lovely gym-toned body with long slim legs and a pair of very nicely enhanced breasts. She speaks English to a reasonable level and I found her to be chatty, pleasant, well-mannered and intelligent.

### The Story:

I had a great time with Cindy. After a quick chat on the sofa over a glass of wine she demanded to know what my fetish was. I felt a bit embarrassed admitting I had turned up looking for a straight-forward GFE experience. Undeterred by my lack of imagination, Cindy took the lead and offered plenty of DFK, good covered oral, sex in various positions including some excellent and impressively prolonged cowgirl, reverse oral, some anal play on me, mutual masturbation and a toy show. Everything was done with plenty of confidence, enthusiasm and eye contact and she gave the impression of enjoying herself almost as much as I did. Would highly recommend.
