The Premises:

Usual smart flat in a great location. Was in the far bedroom this time - bit smaller, bit darker and a bit chilly to be honest.

The Lady:

Izabel is slim, fit, super sexy, fun, Polish, dark skinned (Italian ancestry), long dark hair and completely shaven.

The Story:

I had a truly lovely time with Izabel. We had met before at a party a couple of months ago - and she recognised me straight away (without me having to say a word!). She was wearing a super-small bikini and greeted me with some silky DFK. We were soon on the bed and Izabel wanted me hard! I had had a horrible day so my cock was being very temperamental. Izabel went to work, with some lovely OWO, spitting and hand work. I loved it when she wanked me while licking the tip of my knob - so much that Izabel continued with this - fast then slow - until I came - all over her lips!! Wonderful! Gutted that I didn't get to fuck her - my issue, not hers. I can not recommend her enough. See her. NOW!
