South Kensington and the scaffolding has gone!

The Lady:

Described as a 'legend' from the HOD. I think she was a very beautiful woman, blonde, leggy and with large breasts. Her body is thin and skin which wants to be stroked.

The Story:

Sasha sucks cock with a condom like the expert she is. She works in Bavaria and was here for pocket money whilst in London. She fucks using her very tight cunt to delight. Her Rev Cow opened her arse to titilate the eyes. She uses her toys with a deft touch and rogered my arse to extreme pleasure. This was a real pleasure. Long way to Germany! Hope she returns. Interesting talk about the industry, in Germany it is legislated and although prices are higher there is a very large supply mmmmmh lucky men. OWO is illegal not so lucky for the boys!
