The Lady:

Beautiful, but bigger than in the website pictures - quite a bit bigger round tum and bum. Not my type, physically. Breasts seemed smaller as well. Bait and switch?

The Story:

Really sweet girl. Hesitated about going through with it when I saw her, but I was gagging for some release...glad I went ahead. Great kisser (DFK), great blowjob (smooth), great sex, OK massage. And lovely company. So much so, it would be a betrayal to say too much. Ambience really like a girlfriend. I'm not one who kids myself that working girls are sexually fulfilled in their work. But this time, it happened for her, not faking. A wonderful moment.

But, as I said, not my type physically. So while round 1 was mindblowing, I couldn't get up enough enthusiasm for a fulfilling Round 2.

Highly recommended if you like the physical type. But not for me (besides, I like to move around - too many girls, too little time)
