The Premises:

Debbie's place is clean, warm and safe in a parade of shops. There is also a more discreet back entrance. It's 5 minutes walk from Anerley station or parking in residential streets nearby.

The Lady:

Amy is tallish and extremely fit (in either sense of the word); she's no stick insect, but very nicely rounded with large perfect breasts and responsive nipples.

Her face is open, friendly and very pretty - and she kisses like an angel. (A very hungry angel)

The Story:

Amy is one of those rare women with such a warm and friendly nature that you quickly lose all inhibitions, so that I found my self saying "Oh I love this and I love you!" with no embarrassment, and she accepted it as something said in the heat of the moment.

Amy is also an expert at sexual exercise, so that whether you like it fast and furious or slow and warm and gentle she has the ability to adapt!

I cannot believe that it's taken me 4 weeks to write this, and I hope to visit Amy again very soon.
