### The Story:

I was tempted by Amina's sexy photos so decided to see what she was like. I am always a bit apprehensive when I see a lady for the first time, as a lot of agencies now a days heavily edited their photos and often I am left disappointed. I didn't need to worry this time, Amina is a stunner. She seems slimmer than her photos and more busty in person. Wow, I wasn't disappointed, she is a very pretty slim Indian girl with gorgeous long black silky hair. Softly spoken and polite, like an angel. I enjoyed being with her so much I really didn't want to leave. She offered me a massage to start which I obviously accepted. With a very stressful day ahead a nice sexy massage from a sexy lady this beautiful was just heaven! What followed was even better! Great covered oral, not too aggressive just nice and slow, this was nice, then I went on to sex with her from behind. A beautiful arse and a nice tight pussy lead to an explosive cum. A great hour, loved every minute of it.
