The Lady:

Good looking slim blonde, genuine pictures. Chatty fun girl very tactile. Ariana is a really nice girl who does the job without rushing or making it feel like a service, true gfe.

The Story:

I met Ariana in the bar, was best as my hotel needed the card to get in the lift, so inconvenient. I knew it was her straight away from her pictures, so went to greet her, she was like a long lost friend.

We went up in the lift and she gave me a long dfk while grabbing my crotch, lucky was just me and her in there, though I did notice later there was a camera in there!!

As soon as she was in the room she did a sexy striptease, then pulled down my trousers for bbbj, she was playing with herself at the same time.

Ariana bent over a chair and wiggled her ass, I was soon at her from behind, she was very wet.

Next we got onto the bed where she rode me, first facing then with her back to me with an excellent view of her ass. We then got into doggie and I was cumming in a few minutes.

Really good time with this young lady, she is very easy going and makes you feel very special.
