### The Premises:

Spotlessly clean, comfortable apartment in secluded location on the edge of town, not far from the motorway. Parking no problem.

### The Lady:

Curvy, late thirties, warm, alluring, lovely hands. Articulate, fresh (not brassy) and welcoming.

### The Story:

From the phone call in the morning, I was pretty sure this would turn out to be a very enjoyable afternoon - and so it did! Final instructions for the exact location on the second call and within a couple of minutes I was there. Kate was dressed just as I had asked. Started with a cup of tea and easy conversation, then a shower (mouthwash in the bathroom for fresh breath kissing). Kate makes no secret of having an interest in her own pleasure, and this made for a very involved couple of hours. I had her complete attention the whole time, and it was full on from the start, interspersed with chatting, cuddling and having a good laugh. Finished up with another shower and tea and biscuits and I finally left well after the appointed time. In summary, a lovely, relaxed, horny GFE, which, if I was a more frequent punter, I would be happy to repeat with minimum delay.
