The Premises:

Vey nice apartment close to Tottenham Court Road. The flat inside is nicely furnished and the shower facilities are good.

The Lady:

Oh Cripes - Sophie is one of the most jaw-droppingly beautiful girls (IMHO). She is a tall, slim, auburn haired Polish girl with firm B Cup breasts and big nipples. She has a figure to die for, and she was dressed in nice black lacy stockings and a nice clingy white dress with no bra.

The Story:

Had a great time with Sophie. She isn;t into kissing, but she gives fantastic OWO - nice and deep and wet. She did this for me squatting in front of the wardrobe mirror as I stood and watched the reflection being played back to me. We indulged in some 69, then had sex in mish. As I came close to coming, I stopped and asked her to sit on my face - fantastic to look up from her pussy at her pert breasts - and I'm not sure, but I think, she may have come. She then finished me off on my back with a blowjob and CIM.

We had some more chat - but I think she had another appointment soon so I sped up my departure. I'll go back again to see this beauty without a doubt.
