The Lady:

She was a quite pretty 20 year old. However this was not the SAWA advertised on the web site - she is even prettier and sexy looking. the girl I met was not sexy looking.

The Story:

I had been told by the agency that I could have a Nuru gel massage, with prostate massage, OWO and A levels with SAWA. This was not the SAWA on the website. Not so sexy and 2 years younger. The Nuru gel massage was not available because there was no mat and no Gel. The Anal was not freely available, I had to make all of the going. she didn't know what a 69 was - I had to demonstrate it. there was no DFK and no cunnilingus allowed. I did get inexperienced and inexperienced bbbj. I made the most of the time because she was a pleasant young girl student. I blame the agency for misleading me totally.
