Well proportioned voluptuous lady, very busty and curves in all the right places.

### The Story:

I have written about Sally before. I could continue to write report after report and i would still not do justice to the service she provides.

Again on this occasion I was treated to a wonderfull site, a busty gem without any knickers - one of my fantasies and being that I have been with Sally before she guided me (us) through a simple but elegant massage with lots of cuddling, fondling etc. Then came the inevitable, massive orgasams with lots of juices flowing, passionate kissing and unbelievable sex that left me wanting more and more of this unique lady who I would say is one in a million.

Guys this is not a joke or a hoax, but you need to try to appreciate. If I could I would keep this gem!
