The Premises:

Karina was staying at a large anonymous hotel in Milton Keynes, nice room, no problems getting past reception.

The Lady:

About 5'6", slim, small/medium breasts, medium length blonde hair tied up. Dressed in nice bustier and thong. Attractive.

The Story:

Karina didn't mind me being ten minutes late and welcomed me nicely. After getting the money out of the way, we kissed gently and got on with things. Oral without then on with a condom and then sex in cowgirl, missionary and doggie style. Once prompted to tweak my nipples, she attacked with gusto, making it difficult to hold back. After a hand job, I came in missionary, Then a few few minutes relaxation before heading off.

Karina was touring from London for a few days.
