The Story:

lisa left the door open for me to go right in good shot looks like a friend visiting. she was standing waiting on me with a friendly smile she offerd me a drink (soft one) then took me into the bed room i felt relaxed with lisa straight away, she told me to strip off lie on the bed and she started to give me a rub while she chatted to me, she then started to stroke my balls and play with my cock she gave me oral (coverd)it was a superb blow job wot she does with that tounge blew my mind. she then lay down and i took her in mish her mouth was very pleasing as she begged me to fuck her i had the choice to cum over her but her tight pussy was very welcoming i didnt want to leave it. when it was over we spoke for a while and started all over again this woman knows how to please a man there was no rush she took her time.
