The Premises:

Hotel located near Dartford Bridge. Room was clean & fit for purpose if a little small. Two single beds.

The Lady:

First meeting with Stella. She is just like her profile, petit 5'5" size 8, pretty blond, 34B, lovely skin, fully shaved. Friendly Polish girl.

The Story:

Stella did everything I wanted with enthusiasm. Stella greeted me wearing just a towel, asked I strip off and she dropped the towel to reveal a wonderful body. Started with a nice massage with lots of attention to my bum and balls, soon I was very hard. Turned over for some oral with which was lovely then Stella suggested her favourite position, doggy. Thought I would take advantage of her being so petit and I sat on the edge of the bed and asked Stella to sit on my cock facing me. This was fantastic, then flipped her over for excellent doggy. When I was close, pulled out and took off the condom and asked she wank me off over her. Holding my balls and wanking me all over her was sublime. Highly recommended.
