Pretty face, nice body and breasts and most importantly friendly attitude

The Story:

Olivia opened the door and was even prettier than her pics on the work site.

Started slowly with some soft kissing and went to some RO and mish.

I needed a breather and we had a pleasant chat before I almost ran out of time for a second session.

Said she was fairly new to this work and certainly had a fresh feel to her.

Please treat her well friendly wg's are hard to find.
