The Story:

I met up with Chelsea several years ago in Derby and vowed to return. Unfortunately it's taken me this long! Chelsea is one of, if not the best working girls I've ever visited. She's fun, sassy, easy to talk to and knows just what you like. In someone as young and beautiful as she is, that's unique in my experience.

Unusually for me, I'm not going into detail (subconsciously I want her for myself!) but unless you're very weird, you'll have a great time with her.
