The Premises:

Debbie's is well-known and much written about - the room's looking better these days!

The Lady:

Very attractive young redhead with lovely body. Loved the way she kept on her glasses (on top of her head) in the shower!

The Story:

I'd read a lot about Autumn so was curious to find out if she was as much fun as she appeared to be. She was... and a lot more. The shower, the sex was great, of course, but even better was that she has something to say for herself. Debbie seems to find women who are intelligent as well as sexy and Autumn immediately goes to the top of the class. Lots of laughs, plenty of chat - if you want more than just a screw when you visit an establishment like this, you'll love Autumn.
