### The Premises:

Very safe area, just 5 minutes walk from West Kensington tube station. Ground floor of large mansion block - smartest place I have ever visited. Was offered a glass of wine and shown into a very nice bedroom and offered a choice of two girls.

### The Lady:

Abbey is a slim pretty young lady, not quite the 34D advertised, but with large, very sensitive nipples.

### The Story:

Despite the plush location, the experience with Abbey was less than perfect. The website offers "Full Personal" for ?60 for 30 mins, but when I said I was interested in giving her oral, Abbey said that wasn't included and asked for (and got) ?80.

Abbey was very sensitive between her legs and would hardly let me get to grips with her. I enjoy giving a girl oral and generally manage to get them to come. No such luck with Abbey and she kept on fending me off and clearly didn't want me to touch her down there much. She didnt mind her nipples being sucked, but that was about it. She started to unwrap a condom to give me oral (again, website clearly states "OWO") and I told her that she would never get it on anyway (lack of proper erection being one of my problems) and she somewhat reluctantly gave me OWO. I tried 69 but she kept on lifting off and I gave up.

I hesitate to think what would have happened had I wanted a really "Full Personal" service.
