### The Premises:

A beautiful flat in a very upmarket and safe part of Mayfair ? most importantly, a bed made for three ? which was important as there were three of us to fill it and have a LOT of fun on it.

### The Lady:

Abbie is still the amazing and beautiful courtesan and lover I have known for several years ? still a beautiful body that is given over to your sexual pleasure ? she has abilities with oral sex that no-one else I have ever met has mastered - not to be missed.

### The Story:

I brought my lovely French friend Lilly (an independent from another site ? eroticilly is a truthful name and a description) to meet Abbie ? and what a fantastic meeting it turned out to be. As you will see, both women pleased each other (and me) and everyone could not imagine a more perfect afternoon.

No sooner had I opened and poured something sparkling for us than Abbie tells me firmly that I should now go and shower and that she was taking Lilly to bed, and that I could come and watch and she would decide when I could join them! By the time I had showered, the steady noise from the bedroom was unmistakeable as two beautiful naked bodies were slowly and gently arousing each other. Eventually I was summoned to join the party and then?.

This is the point that you have to start using your imaginations readers ? I am not going to spell out what one VERY lucky guy and two sexual goddesses did for the next two hours, but be assured, it was fantastic. Orgasms abounded, wine was drunk, naked bodies moved from one lover to another and often all three made love to each other ? sensational.

For the connoisseur of escorts, Abbie is an absolute must ? she is interesting, interested, gorgeous and a courtesan and lover of the highest order ? you would be mad not to experience her. Already planning my next visit.
