The Premises:

Not the most discrete establishment in the world, in amongst a small parade of shops. Feel as if being watched, but ok once inside the lobby door. Rea tells me she is moving around the corner which will be much better.

The Lady:

She came to the door fully clothed and looked attractive, but the hidden treasures weren't apparent at that point. When she re-emerged in her lingerie and heels what a fabulous body. Late 30s, but a wonderful figure and very pert, sensitive nipples. Certainly did it for me.

The Story:

The nicest girl I have met so far. Warm, welcoming, friendly, put me at my ease. She offered a most excellent body to body massage, before stripping off. I sucked on her gorgeous pussy, before she gave me oral with, followed by doggy. And what an arse to die for. After it all finished, she even offered me another massage which stupidly I declined as I wanted to avoid the rush hour traffic. Not a clock watcher at all. I came away feeling it was the best ?50 I had ever spent. Thank you Rea!
